June 4 - 5, 2019 • Toronto, Ontario

INTERNAL CONTROLS: TUESDAY, JUNE 4, 2019

11:30 - 12:30

COSO ERM Framework: Enterprise Risk Management - Integrating with Strategy and Performance

Angela Byrne, President, Angela Byrne Consulting Inc.

A comprehensive yet nimble Enterprise Risk Management program is the prerequisite to a strong internal control environment; especially for companies with aspirations of profitable growth. In this workshop, discover how leveraging the value of the COSO ERM Framework not only benefits performance and risk management but also strengthens internal controls. Recent changes to the COSO ERM Framework are discussed along with the rationale for the changes and why they make good sense for today and into the future. Recognizing resource constraints, the presentation highlights those changes that can be made today that will realize the most value. Implementation strategies are presented along with strategies to address common challenges.

Participants will leave with strategies and a plan for next steps.

A comprehensive yet nimble Enterprise Risk Management program is the prerequisite to a strong internal control environment; especially for companies with aspirations of profitable growth.
